

Product information

LED VALUE CLASSIC B40

Product properties:

- 6W LED lamp as high-quality replacement for a 40W incandescent lamp
- Frosted version with unique OSRAM patented optics
- Designed in Germany
- Same dimensions as incandescent lamp
- UV and NIR radiation free
- Mercury free

Product benefits:

- LED-Lamp with a frosted bulb in the well know GLS shape; available in many colour temperatures
- GLS outer dimensions – GLS inspired design!
- For all household luminaires
- Low energy consumption and maintenance costs
- Same size as dimmable version
- True 40W incandescent replacement

Applications:

- Indoor
- For outdoor applications and operation in damp locations special approved fixture are required

Most important technical data

Luminous flux	470lm
Nominal System Power	6 W
Rated System Power	5,3 W
Voltage	220-240V
Luminous efficiency	78 lm/W
Colour temperature	2700 K
Dimmable	No
Beam angle	>115°
CRI	80
Dimensions (D/L)	38/105 mm (E14)
Energy class	A+
Energy consumption	6 kWh/1000 h
Lifetime (L70/B50)	10.000 h
Guarantee	2 years
